Artist Statement

Threads of Life explores the torment, grief, and freedom of suicide. Born out of my coming to terms with those I have lost, this piece attempts to fight against the stigma and blame thrown at those who make the choice to end their lives. A call for empathy towards those for whom death is a release from their pain, a wish to preserve their true self.

Media

Mixed media: acrylic, clay, thread

Previous Publication: This image was part of the 2024 WHITE COAT WARM HEART exhibit at the International Congress on Academic Medicine, Vancouver, Canada, April 12-15, 2024.
