ERRATUM

Please note that in ETC # 52 (December 2000, January, February 2001) on page 48, where the text on Pipilotti Rist exhibition discusses Rist's work in relation to the Astrid Lindgren book character, the sentence should have read, "This synthesis is worth taking note of for the fact that Pippi Longstocking is not merely a delightful raunchy character, she is the central persona in what could be considered a veritable master handbook of performance art."
