# Honouring

We acknowledge the traditional **Algonquin territory** where this Special Edition was produced.

We acknowledge **young people like Shannen Koostachin and Jordan River Anderson** who have become role models for others.

Thank you to all of the young people who submitted poems, essays, letters and artwork to this Edition. For each and every submission, we recognize all of your hard work and effort. We had so many submissions that we sadly could not choose them all. For those that were not selected, we look forward to keep hearing more about your amazing, dedicated work for equity for First Nations and other young people across the country.

We would also like to recognize and thank the following people and organizations for their contributions in making this edition possible:

- 
- Owen
  - Raiyah
  - Chief Dr. Robert Joseph
  - Bethany Rhead
  - Pierre Elliot Trudeau Elementary School Grade 4 and 5 split class

*“I was always taught by the parents to stand up and speak out for myself. My message is to never give up. You get up, pick up your books and keep walking in your moccasins.”*
