The GEOTOP research centre in geochemistry and geodynamics and the Département des Sciences de la Terre et de l'atmosphère of the Université du Québec à Montréal (UQAM) invite applications for a tenure-track faculty position for a Canada Research Chair Tier 2 in light isotope geochemistry. The selected candidate will be presented to the Canada Research Chair Programme (www.chairs.gc.ca). Researchers who have obtained their doctoral degree less than ten years ago at the time of nomination and who are acknowledged by peers as having the potential to become a leader in their field of research are invited to apply.

Applications, including a letter outlining the applicant's career objectives, a proposed research programme for the next five years (approx. 5 pages), a detailed curriculum vitae, and the names and e-mail addresses of three referees should be submitted before **January 4, 2010**. The selected candidate will be invited to prepare a dossier for submission to the Canada Research Chair Programme in the Spring 2010. Assumption of duties could begin from September 1st, 2010. Applications should be sent by e-mail to Mario Morin (**geotop@uqam.ca**), Chair of the Selection Committee. For more information, please consult our website: **www.geotop.ca**.
