Unpublished Papers/ *Communications non imprimées*

Unfortunately, it is possible to print only a small number of the papers given at the CHA annual meeting in the *Journal of the Canadian Historical Association*. According to the programme, the following is a list of papers presented at the annual meeting but unpublished in this volume. Many of these have been included in the microfiche edition of the proceedings prepared by the Association and available through the CHA Secretariat. Others are scheduled for publication elsewhere, and persons interested in specific essays should contact individual authors.

Malheureusement, on ne peut faire paraître dans la *Revue de la Société historique du Canada* qu'un nombre limité des communications présentées à la réunion annuelle. Le programme contient la liste des exposés qui n'ont pu être imprimés dans ce numéro. Une copie d'un grand nombre des conférences est disponible dans les actes sur microfilm que la SHC a produits et qui sont disponibles au secrétariat de la Société. Plusieurs communications seront publiées dans d'autres revues; les intéressés n'ont qu'à s'adresser aux auteurs.
