## ERRATA

In Professor Sage's paper: *John Work's First Journal*, the following corrections should be inserted:—

P. 23, note 14: The symbol used for York Factory was a single letter combining the two letters, Y and F, but as there is no type for it, the single letter F is used to represent it in the present paper.

Pp. 23-24: *Isle à la Crosse* instead of *Fort Isle à la Crosse*.

P. 25: *Dogrump's Creek* instead of *Dogmeny's Creek*.
