FOREWORD

This compilation supplements the bibliography first published in (1985) 16 *Revue générale de droit*, pp. 713–760 (Faculté de droit, Section de droit civil, Université d'Ottawa). It covers the period between the end of 1984 up until the end of 1988. The same sources were verified, in addition to Current Law Index. The basic subject arrangement of the first bibliography has been maintained.
